

Our application process

Apply through the CHA website

PRIOR TO APPLYING, HAVE YOU CONSIDERED:

- Your time / general availability
- Are you ready to share your lived experience in a public way?
- Do you want to be represented?

15 minute Zoom Interview

IF WE HAVE CAPACITY TO REPRESENT MORE PEOPLE IN YOUR LOCATION AND YOUR APPLICATION ALIGNS WITH US, WE WILL ORGANISE AN INTERVIEW

The Zoom interview is an opportunity for you to ask us any questions you have, and for us to get to know you. We recommend that you browse our website prior to the interview.

After the interview

A) We feel our values align and your lived experience is compatible with the stakeholder network we have to source you opportunities. We send you the profile sheet and a contract after the interview, as we understand the scope of work and your goals clearly enough to represent you. **OR**

B) We feel that our values align and we want to get to know more about you. After the interview we send you through a profile sheet to complete, so we can understand more about your lived experience. Once we receive this back, we can understand what scope of work we could potentially secure you and how it aligns with our stakeholder network. If we can help you reach your goals, we will offer you a contract. **OR**

C) We decide that there are other ways to maximise your career outside of representation, and can discuss ways that we can support you to do that. As we offer a highly personalised service, to keep it 1-on-1 we have limited capacity, so cannot represent everyone. However, there are many other ways we can support your lived experience career development in this space.
